Priyanshu Patel

Full Strack Web Development

SUMMARY

I have basic knowledge of HTML, CSS, JavaScript, React, C#, and SQL. I am interested in web development and enjoy learning new technologies. I want to improve my coding skills and build useful and user-friendly websites and web applications. I am a quick learner and always ready to learn new things. I am looking for an opportunity to use my skills, gain practical experience, and grow as a web developer.
